Subject: Anyone got any intresting designs for Omega 18"? Posted by demanddeepbass on Wed, 13 Mar 2002 10:49:54 GMT View Forum Message <> Reply to Message

I have aquired one. Don't really want to go for reflex and don't want to go huge (20ft^3+). I've already got one big TL sub and it takes three people to get it down the stairs. Any ideas or comments?
