The only thing I don't know is whether what they are selling is the 252 or the 222. Either way, \$50 is a deal. I'm guessing that \$50 is for one right? not a carton of 2? Quoting from FreddyDanny -252 should be 15", and 222 12" by specs; M222:fs=71;qts=0.48;qms=3.6;qes=0.55;vas=41.9l;Pe=300w;xmax=6.35mm;Re=4.2;Le=0.43mH;Sd=0.053M252:fs=51;qts=0.56;qms=4.6;qes=0.64;vas=137.1;Pe=300w;xmax=6.35mm;re=4.2;Le=0.43mH;Sd=0.088 sound like sealed box woofers - might be real nice - certainly good price if you have an application Freddy
