Hi Zeno look at Madisound's Eminence 151311 @\$79US pretty close to your
Visatonfs/qes=119.375fs=38.2,qes=0.32,qms=7.73,vas=299l,re=5,xmax=5.5mm,
mms=60.1g,BL=14.9Le isn't specified but I'd guess around 1mH - goes out>3Khz on axis as direct
radiator - am looking at it for inexpensive Karlson driver Freddy
