Subject: I'm curious Posted by dbeardsI on Mon, 20 May 2002 20:10:30 GMT View Forum Message <> Reply to Message

I'm curious as to how you toasted those diaphragms.Was it a freak accident, some wires touched, or a power surge?Or was it just plain high power use, melting the coils or ripping the suspension?I like that every part that could break in my 4 Pi's will be 50\$ or less :-)
