Subject: Chicago Horns Summer Bash Posted by BillEpstein on Tue, 21 May 2002 20:49:13 GMT View Forum Message <> Reply to Message

You guys aware of this? I'm about 4 hours away and likely will go. Don't think I'll shlepp the speaks in the back of the pick-up again, though. I'm still watching the veneer bubble from the very wet Lima trip. Bubble, bubble, toil and trubble, witches brew and...Witches Brew??Gotta get that on SACD.
