Subject: Re: Another set of 4 pis - my first Posted by andy2667 on Wed, 05 Jun 2002 11:42:56 GMT View Forum Message <> Reply to Message

Hi John, Thank you for your review. My room is very small & the Buschhorn or similarly small size back loaded horn may be more suitable for me. Howver, I am concernerd about their bass performance. Please keep us update on your comparison upon breaking in the Pi 4. Thanks Andy
