Wayne check out this webpage. I cannot believe some of the crap on here. BobG seems to have his head in check, but the others seem to have no clue. My posting name there is 042801. Do you have any comments you would like to post? If so please post them here and I will quote them for you. Thanks a bunch!http://forums.off-topic.net/showthread.php?s=&postid=4273787#post4273787
