I have close to 30 names of people... waiting for me to send theman invitation to participate I guess. I took a break (so far)this month and have not posted the request for interest. Lasttime I did that I said I'd slow it down so it doesn't get repetitivein the larger groups. So maybe I'll go to every other month. Most of the contacts were from readers at Madisound, and PE.Absolutely nothing from places like Wisconsin Woodworker's Guildor Northeast Wisconsin Woodworkers Guild. I am from Appleton in Northeast Wisconsin just belowGreen Bay (home of the Packers.) Maybe I should put out a message on the list. What should it say? ;-)lon@athenet.net
