Subject: Fostex fe204 Posted by themonsteramp on Tue, 02 Jul 2002 07:47:50 GMT View Forum Message <> Reply to Message

Hi all!I'd like to build a bass reflex speaker cabinet with 2 fostex FE204 full range speakers inside. Fostex show a 45 liters vented cabinet for 1 driver. Is it possible to double the internal volume (90I) and build 2 ports of the same dimensions? Is there other calculations, formulas?thanks in advance
