Subject: The Alpha 12 is actually the 12A Posted by Wayne Parham on Wed, 03 Jul 2002 18:29:50 GMT View Forum Message <> Reply to Message

The part you want is the Eminence Alpha 12A. Many of their speakers are also offered having a "B" version or an "LF" version. Some people, myself included, tend to omit the "A" suffix when discussing these parts.
