Hi Wayne,cold you send me, please, plans for studio 1Pi ?I've two Alpha 8's (new generation=current set of T/S paramsfrom www.eminence.com) so I will be able to do A/Bcomparison with my 2Pis.I am planning to use it in HT setup in the future: front 2x2Pi,rear 2x1Pi. I am looking for a suitable center and for a suitable sub: do you have any recommendation ?Thanks in advance,Vladimir
