As the man of the hour, you're gonna be busy 24/7. I don't envy you on that part - Lots of responsibilities and so many people wanting your attention. Count me in that list. I look forward to meeting you and Peggy very much, and Alona does too. I know you'll be busy, so as much as I'd like to have some private time with you two, we'll not ask for your undivided attention. But I would love to hang out with you, perhaps the whole gang will get together for a pizza or something. Those Kewpee burgers or the Bistro that you're talking about sound like a great plan!!! Just two more months - See you then!
