Hello! You wrote: >> I read the PSD-3003 is being discontinued. It already has been. Eminence has no more PSD3003-8's in stock, and does not intend to manufacture any more. I have some in stock and I also have replacement diaphragms. >> If this is true, do you plan on incorporating some other >> compression horn driver with an 18 inch woofer for pro audio? Yes. Eminence is working on a replacement and I intend to carry it. You can also use the JBL 2446 compression driver. >> May I have the plans for the stage 4 pi 18? You've got mail! Wayne
