I have two pairs of JBL woofers. Is it reasonable to use them in a pi-align BR or pi front horn? Would I end up trying to shoehorn misfits into a proven system?JBL2213H 12-inch; Fs 25, Qts .49, Vas 8.3cu.ft., Xmax .31inchJBL2220H 15-inch; Fs 37, Qts .17, Vas 10.5cu.ft., Xmax .12inchEliot
