Definite on the Ella and the SACD 775. Matt Anker says he's bringing his "blown" 555-ES with the Iskenderian cams and Edelbrock headers and would be glad to bring it by the Pi Rooms. I'm veneering as fast as I can. 2 speakers, 12 sides, 3 sides per day, finishing, curing time and help getting them in the truck here, don't hold your breath. And if it's rainy, no go. Martinelli, on the other hand.....
