I have a pair of Snell K/IIs (vintage '94 or so) given to me by my father, and am getting an Outlaw receiver.  I know next to nothing about speaker setups but would like to find a center speaker that will work well with the Snells.  So here are my questins:- Did Snell ever make a center speaker to go with the K/IIs?- Any recs on good places to buy used Snell center speakers?Thanks in advance,Allan
