Thanks for your kind words. It was a pleasure to meet you at the show. And I'm sorry that we didn't have more of a chance to visit. I was thinking about you the next day, during the trip home. I remembered that you came up to me after the seminar, and I invited you up to my room. When you were there, things were hectic and I didn't get a chance to visit with you very much, and I'm sorry. I wish you had been able to "hang out" with some of us around the tables that evening. Let's do it next time, OK? In the meantime, I've sent your plans so check your mail.
