bin der, dun dat, BUTTTTTTT, 56 minutes south of Lima is this place.....even Pres. Bush had to wait at the bar for 40 minutes (don't believe it? look at "hours/directions")...NO reservations, and for some cuts, the waitress cuts the steak at your table...no dessert, either.....they tell you there is an ice cream store next door if you want dessert.....Folks, there is only ONE Pine Club.....THE steak house.....same knotty pine decor from back in the day.....Till, George, you would LOVE this place.....
