I don't know if it counts for CD's the same as for LP's, but the second disc on 2'fers or the lesser work on some singles has been occupying my time while waiting for the veneer to dry.Janacek Suite For String Orchestra London 448 256-2. Wow. Big work. Great workout for the system. Everybody knows Sinfonietta and maybe Taras Bulba. These "B" works are great.Here's another. The SONY SACD Cleveland/Szell Mendelsohn "Italian" Symph has Midsummers Night Dream which is great but better yet Incidental Music to Rosamunde. Gorgeous.
