Subject: Re: horn for 2426 Posted by Wayne Parham on Mon, 05 May 2003 20:23:49 GMT View Forum Message <> Reply to Message

I'd suggest the Eminence H290 or Bill Martinelli's 12" wood horn. Another great option is Martinelli's 17" horn. Since it's a little larger, it can be used at a lower frequency. It will work just

the same.
