It's great to hear from you! And certainly, I'll send you the plans. About the decals - I sent them to you a long time ago. I mean, hasn't it been a couple years since you built those speakers? Didn't you ever get the decals I sent?I still remember how attractive your sevens were, and I was glad to send the decals. If you never got them, I wish you would have said something sooner because I would have been happy to mail some more. And I'm happy to send a couple more to you now.
