> If I play real loud I can still hear it, but it isn't pretty from most mass production recordings and playerswhat do you mean by this? the sound on the recording isn't great to begin with? I can still hear the TV whine, but i have been to my fare share of concerts 3 Tool, Red Hot Chili Peppers, Les Clay Pool, Incubus. I am just worried that i will be missing the high notes of Gilmore and Hendrix. thanks for your quick replies I guess i will still have to think about it, and oh yeah that whole money issuse :)
