Subject: Is this a good deal Posted by EZ\_Angus on Tue, 24 Jun 2003 16:38:16 GMT View Forum Message <> Reply to Message

Hi Wayne and other modellers, B2 Spice A/D v4 Standard is on sale for the rest of this month for \$125. Is this a good program? Is it fairly easy to use? Does anyone have any endorsements of it or any proposals for alternatives?thanks, Kevin Grier
