I'll do it for free! I'm an early riser; I usually get up at 4:00 AM. I'll call you at 4:15 AM, or 4:30 AM if you want to sleep in after partying all night. Another option would be to order your very own Clever Little Clock. If you tell them it's for a review they might knock off a few dollars. It will be useful as an alarm clock and will transform your system. I wonder, if you have one in your hotel room will it improve the sound of the systems in adjacent rooms?
