My vacation began an hour ago, I have apples and honey sitting on the table while I dig Brubeck. The apples and honey have taken a back seat to Jack Daniels and Anheuser Busch, fine GOYIM all.Assuming lightening doesn't strike, there will be an RAF, not Royal Air Force, next weekend as Bill&Bill and Replay gather at the home of Eastman Kodak.I throw down the Gauntlet! (Is that a complete sentence? Someone ask Mrs. D'Isodoro)Altec 806A thru Martineeli Woodhorns sitting on Pi Aligned JBL 2226 with Wayne tweaked 16 ohm crossover from Matthews SACDMods Sony 775 and the redoubtable brian Cherry's Ella EL-34 with the mandatory CHOKE and Uncle Ned's LARGE Bottle EH 34's connected by DIYHIFISUPPLY Superlative IC's and (chuckle) Home Depot 16 ga. ZIPCORD is the finest recorded sound I've EVER HEARD, Including EVERYTHING at MAF, especially the Cains I don't give a rat's ass what anybody elese thinks!Peace, Love and health, too.
