Wayne, Thanks so much for again doing a great job with the pictures and summary of the event!! It must take a significant amount of time to put that together. The meeting. just like the first one, was a success. Everyone who showed up got to listen to some fantastic music on a variety of different equipment. It is only through these meetings that one can accomplish this around here. Kudos to you and Chuck for hauling those HEAVY 7 Pi's all the way over to my house and back. They were enjoyed by all who attended as the comments regarding them were all very positive. Again, thanks to all those who attended the event. I am very much looking forward to the next one.
