I'm eager to come to your place day after tomorrow. I'll bring a case of Pepsi and let me know if I can bring anything else. I think I'll post a reminder on the General forum, so please pass the word.This month, I'm planning to take it easy and not bring any sound equipment. I'm gonna enjoy your Klipschorns and Trusonics instead! But if you'd like me to bring the Paramours or Foreplay or anything, just let me know.
