Subject: Re: UHF driver selection suggestions and thoughts? Posted by GarMan on Thu, 15 Jan 2004 20:14:54 GMT View Forum Message <> Reply to Message

I've used the APT80 with the Eminence Alpha10. Replaced the KSN1038 piezo in my 2PI Towers and I like them a lot. But I'm comparing them to the piezo, which was not to my taste.Gar.
