Hello wayne!Thanks for the plans, but I guess I'm thinking of the 7 Pi version, as I will be working with a 15-16 inch drivers. Is it possible to get the plans for the smaller Pi? Also, I could use the cross overs for these 3 way audiophile speakers, unless they are already included in your crossover document, which you have already sent. I plan on using the 2226 15 inch JBL driver is why I am whineing so much! Thanks Wayne, you're the greatest.
