...and say "there's no place like home, there's no place like home, there's no place like home." On the other hand, it's hard to say because I was having trouble most of yesterday. SBC wideband declared an outage and I think it was about 24 hours long. So I couldn't connect except with a dial-up line. I don't know if that's what Sheri has the AudioRoundTable server running on but I don't think so because I was able to read and make some posts through my dial-up connection even when the wideband connection was down.
