the 2002 is tops in the bang for the buck catagory. It can sound good but there are lots of others that sound better. Some for a little more money, Some for lots more money unfortunately. AltecBCBMSJBLK55McCauleySeleniumI think the APT-50 sounds smoother than the 2002 anyway. You cant cross it over as low, but 800hz on the 2002 is too low for me. Have a good fourth Pancho. I'll stop by the store around 3:30 for my pole barn kit.
