Subject: Re: how to make a rectangular port Posted by Wayne Parham on Sun, 11 Jul 2004 19:32:14 GMT View Forum Message <> Reply to Message

Your Paramour looks great! I still have Paramours, a Foreplay and a Seduction too. But I think I'm gonna get a Stoetkit. About the ports, sure thing, you can go with multiple ports. If the port area is sufficiently large and tuning is right, it becomes largely a matter of aesthetics.
