Obviously Parts Express because of same day shipping and where I live. Galen Carol though, is in Texas. I ordered a Target shelf on Sunday night, at my door direct from the distributor, Wednesday morning. Handmade Electronics ships same day, too. Ditto Michael Percy who now uses Priority mail for almost everything. And for now, the new waaaay off-topic champ, Zappo's Boots. Went shopping for a new pair of Timberlands last night, couldn't find the right size. Came home and Googled my way to the Zappa site and placed an order. Due to arrive today with free freight. Hope they fit! Too bad Zappa doesn't sell caps and wire.:-)

Not Harpo, not Groucho, ...Zappo
