Subject: Still studying the 1 Pi's in the car Posted by Garland garland on Mon, 29 Nov 2004 16:30:51 GMT View Forum Message <> Reply to Message

I was wondering which tweeter(CTS or Vifa) would be more durable in the dusty environment of the car's rear deck? and what would you say is the difference in sound between the two? (I've heard of the CTS-Motorola in the Studio 2's I helped a friend build.)Thanks!G.
