Subject: Hi Wayne: Your Paramours and the new Studio 2? Posted by wlutke on Sat, 05 Feb 2005 16:04:30 GMT View Forum Message <> Reply to Message

I'm just about ready to build my Paramours now and maybe you could help me out here. I've got the KSN tweeter version of the Studio 2 - how does your new Vifa version sound with the Paramours? And what tap works best (4 Ohm, 8 Ohm)? Thanks, Bill L.
