Thanks Jim! It was fun catching up with you again. I was VERy impressed with the 166s, i would recommend them strongly either as midrange drivers, or as full rtanges in that voigt pipe, perhaps with a sub. This was also the first tiem I heard Wayne's 2Pis. VERY impressive sound. Solid bottom, and nice balance. Good quality drivers, and Wayne is right, with that stoetkit, they sound good with all sorts of music. Quite a deal for a budget audiophile. Also, did I mention, Jim makes the best snacks?-akhilesh
