My Christmas was great. Got to be with all the family, my grandparents, my parents my wife, my brother and my two sons. Everyone is healthy and happy, so it doesn't get any better than that. Riding in the winter, huh? Fifteen to twenty years ago, I used to ride a lot even in very cold weather. Haven't done that much in a while. I remember one ride that was probably a mistake because my fingers got so cold I could barely grab the clutch near the end of the ride.
