new)and 1 pair Eminence px-bii 1k6 2-way crossovers ($31/ea. new)for sale.Both are in gently used condition.The drivers need a new cardboard gasket (rear of frame).I would part with them for half of the new price, plus shipping, but will consider offers. Local pickup in Boulder/Denver, CO would be preferred.Thanks,MikeSmrstieber_N0Sp@m@yahoo.com (remove _N0Sp@m to email me)
