Thanks Akhilesh for being a gracious host of our group meeting today. I enjoyed the good company and listening to your stereo systems. If I had to make a choice as being the most balanced with fullest sound character of the group. My nod would go towards the Larry Moore 845 SET and Klipsch corner horn combination. And David Merrill's 5.5 fullrange driver wasn't too bad being driven by Steve Brown's PP 300B amp either. All in all, it was good fun, and I am looking forward to the next meeting. Almost as much as I am looking forward to LSAF in May. Norris
