Hi everyone,I have a pair of factory made Theater 4 cabinets for sale cheap to anyone who wants to pick them up in northeastern New Jersey. I've moved all the components to different cabinets, so I won't be needing these any more.The teak veneer has peeled in mutiple places, so the cabinets don't look too great, but they are structurally sound. They are insulated and come with the input cups.Anyone interested can make an offer in an e-mail to sgazzojr@aol.com(Thanks, Wayne, for letting me post this!)Take care,Sal
