Subject: Re: Mid-horn "Chamber" Posted by Russellc on Thu, 25 Aug 2005 22:52:33 GMT View Forum Message <> Reply to Message

Wayne, I think he means to build the midhorns box such that it would also contain the high freqency horn, rather than having it set on top of the midhorns box. That way the 7 PI cab would be unchanged, just the mid horns box.Russellc
