Kiddin' kiddin'!!!! I like the Royal a lot. Way better than the Monster stuff I had. I've never tried "high-end" cable before and don't plan on it unless someone gives it to me. I can't see how \$400-???? cable can be that much better. I'd rather spend it on new amps, speakers, anything but cable. Might have to get another coil. Is Ron just adding this to the one that comes with the kit?
