in the seventies. Remember those? Your brother made a bunch of 'em back then. Here's what

be placed in room corners. If your girlfriend doesn't have two good corners to put them in, then

Christmas and talk speakers? We can decide which of the designs are best and ask Kelly to build a pair for old times sake. If he doesn't have time, we'll use the current cabinet shop. Either way, we'll get your lady a nice set of speakers that I know she'll love.
