I include a photo of my 100dB (20 years old DIY) speakers. Yes, they are painted white from day one.http://img378.imageshack.us/img378/8161/hiluson5jb.th.jpgA disco speaker, actually four of these at a Disco in Estoril (Portugal).Disco speakerhttp://img340.imageshack.us/img340/58/2001speaker1zl.th.jpgDisco ambiencehttp://img297.imageshack.us/img297/4956/2001disco7no.th.jpg
