Front ends are my Sony CDP-775CE SACD player modded by Matt Anker and Ariston RD-11 Superieur with SME 3009R and Dynavector 10x5 playing to a Hagerman Cornet.On loan to review is the AAA Audio Leonardo CDP.These are all switched at the Cornet directly to either my Audio Note Kit 1 or the KR Audio review sample of the VA340 300BXLS amp.Speakers are 2-way JBL 2226J in 4.5 cu ft BR's tuned to 38Hz and Altec 902B's with Martinelli Woodhorns.And I have to mention my $50 for 15 feet Blue Jeans cable IC's.
