Ted Weber is selling his PA10, which is supposed to have specs similar to the Alpha 10, for \$10 each. <https://weberspeakerscom.secure.powweb.com/store/sr.html> ISE Surplus has real Motorola KSN-1056 piezos for \$2.10 each if you buy 10 (\$20 minimum order). <http://www.isesurplus.com/720.htm>
