Yep, Irishman, that's the one. Still on the air, and the news in the morning is still in French. "Passe Partout is Acadiana's favorite way to wake up! Get complete news coverage and a look at the day ahead in English and en Francais from Lori Meaux-Steele and Bob Moore." While some things are still the same, the "Indian Head Test Pattern" is long gone. PaulPS Despite living in the middle of "Cajun Country", I don't speak French.
