Its that time again, another meeting of the Lone Star Bottleheads. This one held by yours truly on Nov 1st. Come one, come all and enjoy the fun.People usually start to arrive around 11 or 12 and goes until the last person wants to leave. I will have systems setup in the livingroom, the den and the patio. So, you have your choice where you would like to hear your music or setup anything you might bring.I will provide the brisket, rolls, chips, dips and sodas. You may bring your beer of choice.See you Saturday. http://lonestarbottleheads.org/meeting.htm
