..What would you think If I bought the mid's and the tweeters from you first, used my Cerwin Vega 15's from a set of D9's, for now, and bought the JBL's later? Pending funding.C/Vega D9's where huge. with two very large bass reflex ports. I don't know the stats but JBL's. . . they ain't. Not junk though. They are rather heavy. Very good cond.Thanks.
