Hang a tire swing from the old oak tree
Wire up 5 sets of Realistic Optimus speakers with torn and stained grill cloth from Goodwill
Strip the insulation and put an electrified fence around Speakerman's garage
Call yourself ChrisVdh and post the latest flavor recipe on the Cable Asylum
Re-create the Saddam execution
Build an antenna array to receive ET-MTV from Alpha Centauri
create an Eruv
<http://chayyeisarah.blogspot.com/2005/12/appreciation-wednesday-carrying-load.html> around your neighborhood
